

# To Order your water colour photo canvas

## Select an image

Digital images are preferable. .jpg, or tiff files please. The bigger the file size the better

I suggest the images should be faces or portraits rather than landscapes

Trouble with file formats or sizes? Contact me at [roger.knottfayle@ntlworld.com](mailto:roger.knottfayle@ntlworld.com)

Send to [roger.knott-fayle@ntlworld.com](mailto:roger.knott-fayle@ntlworld.com)

or post to:

Roger Knott-Fayle  
465 Valley Road  
Basford

You should be able email digital images directly to me

If the files are very large you may need to put them on a CD or DVD and send them to me by post. Email for advice if you wish to.

If you are sending me original photos or slides I suggest using registered post or similar to ensure that they get to me.
